St. Martin's
Episcopal Church

Christ Centered • Inclusive • Compassionate

In the first century, Jesus of Nazareth inspired a movement. A community of people whose lives were centered on Jesus Christ and committed to living the way of God's unconditional, unselfish, sacrificial, and redemptive love.

As Episcopalians, we believe in a loving, liberating, and life-giving God: Father, Son, and Holy Spirit.

We believe in following the teachings of Jesus Christ, whose life, death and resurrection saved the world.

We have a legacy of inclusion, aspiring to tell and exemplify God's love for every human being; women and men serve as bishops, priests, and deacons in our church. Laypeople and clergy cooperate as leaders at all levels of our church.

Leadership is a gift from God and can be expressed by all people in our church, regardless of gender, sexual identity or orientation.

We believe that God loves us all – no exceptions.

We believe that all people have been created by God in God's image. We celebrate all gender expressions, sexual orientations and ethnic heritages as an integral part of the beautiful, diverse world that God has created to reflect the mystery of God's own Being.

We believe that God calls all people into loving and life-giving relationship with God and with others.

As a sacramental church, we believe that God gives us grace through the Sacraments of the Church, which offers us salvation, healing, and strength to follow Jesus in the way of love.

We believe that Christ intends for all of God's children to have access to all of the Sacraments. We joyfully welcome you and your children to the baptismal font, to the Eucharist, to the sacraments of healing (confession and unction for healing), and to the celebration of marriage.
